

2021
MRIS

Dear upcoming 4th grade MRIS Students and Families,

Montgomery Ridge is hosting a Summer Reading Program! Rising 4th grade students are encouraged to read four or more books in their reading range (ZPD) over the summer. The goal is for students to read at least four books and pass the AR test. Students who meet this goal will be invited to a *Chick-Fil-A* Summer Reading lunch with a drawing for AMAZING prizes including a Kindle.

For EACH additional book read over four books, students will be eligible for more prizes!

The MRIS library will be open for MRIS students to check out books.

The schedule is as follows:

**On May 26th, June 2nd, June 9th, June 16th, June 23rd & June 30th,
the library will be open from 9:00 AM-10:00 AM**

*Due to construction on the HVAC at MRIS, we have a limited amount of time for students to check out library books.
Only MRIS students who do not have internet access at home will be allowed to take AR tests during this time.

Students will be able to take AR quizzes over the summer at home. If students are unable to take AR quizzes over the summer, teachers will allow those quizzes to be taken during the first week of school.

**Summer Reading
starts on May 24th
and ends July 25th.
MRIS library will be
open to check out
books on
May 26, June 2,
June 9, June 16,
June 23, & June 30**

- So, 1) Read four or more books this summer
2) Record your summer reading on the back of this letter
3) Be sure to bring this reading log back to MRIS the first week of school
4) Get ready to party and possibly win some great prizes!
- Stay cool, read on, and have a fun break!
