MRIS

Dear MRIS Students and Families,

This summer Montgomery Ridge is hosting a Summer Reading Program. Rising 4th, grade students are encouraged to read four books in their ZPD (reading range). The goal is for students to read four books and pass the AR test. Students who meet this goal will be invited to a Chick-Fil-A lunch when the new school year starts. During the lunch, there will be a drawing for a *Kindle* and other **AMAZING** prizes!

There will be one drawing entry for EACH additional book read over four books.

If you participate in the ***Blackjack Reading Plus*** AND the ***summer reading***, you will receive a special ice cream surprise when you return to school!

Students will be able to take AR quizzes over the summer at home from Monday, May 23rd - Thursday, June 30th. AR tests may also be taken during the first 2 weeks of school in August to count for the summer reading.
